GUIDANCE FOR THE PUBLIC OBSERVING AND/OR PARTICIPATING IN THE MEETING VIA ZOOM:

In order to ensure all participants can hear the audio in the meeting, it is essential that your phone or microphone be muted when you are not speaking. Please follow any guidelines or rules established by the Planning Commission Chairperson during the meeting.

- If you wish to speak during a public hearing, and you are on your computer, please list your name, and the topic you wish to address sent to everyone in the chat section of this virtual meeting. The Chair will address you individually, at which time we ask that you un-mute yourself to speak. Once you are done, please state that you are finished and resume the mute functionality.
- If you wish to speak for the public hearing and you are on a phone, once all physical or virtual comment cards submitters have had their time to speak, the Chair will ask if anyone on the phone has additional comments. At that time, please unmute by pressing *6 and state your first name. If more than one individual has identified themselves, the Chair will ask one person to speak at a time. Each person must state very clearly, their name, affiliation (if any), and address and proceed to comment. Once you are done, please resume the mute functionality by pressing *6.
- In order to ensure all Commissioners and the public are able to connect successfully, we recommend that you call or join via Zoom (for video) starting at 5:15 PM to allow time to troubleshoot any connection issues.
