Your Project

12. Climate Themes

Eligible projects must respond to at least one of the climate priorities outlined in the City of St. Louis Sustainability and Climate Plan. You can read the entire Sustainability and Climate Plan [here](#).

Our project responds to the following City of St. Louis Sustainability and Climate Plan priorities:

**Choose between 1 and 5 options*

☐ Heat, Trees, & Green Space

☐ Transportation & Mobility

☐ Waste & Consumption

☐ Climate Resilience & Community Preparedness

☐ Environmental Justice

☐ Other

If 'Other', please specify

13. Project Description

Provide an overview of your project, including its main goals and objectives, along with its expected effect on the community and the environment. Describe the current issues or challenges your project aims to address and why this intervention is crucial now.

14. Project Activities and Timeline

Describe the specific activities and steps your project will undertake. Include a clear timeline that shows that the project's activities and implementation will be completed by April 15, 2027.

15. Project Location

Where will your project take place or be located? If the project is virtual or has several locations, please explain. Be as specific as possible.

16. Role of Young People

Describe how young people will be involved in your project, including their roles, responsibilities, and opportunities for leadership.

17. Number of Young People Involved in the Project

Estimate the total number of young people who will be involved in your project, including youth leads, volunteers, and participants. Our team can help you identify youth volunteers if necessary.

18. Project Result(s)

Describe at least one measurable result that will show your project's immediate accomplishments and progress.

Funding

19. Microgrant Request

How much funding are you requesting? (between \$1,000 - \$5,000 USD).

20. Budget

Explain as a bullet point list how you would use the microgrant funds for your project. Microgrant funds may not be used to compensate project leaders for their own time or labor.

Example:

- *Supplies and Materials: \$2300*
 - *Equipment: \$500*
 - *Transportation and Food: \$300*
 - *Events and Communication: \$200*
 - **Total: \$3300**
-

21. Long-Term Project Plan (if relevant) (optional)

If relevant, how will you maintain your project after this funding is expended? For example, if your project involves building a garden, who will be responsible for maintaining the garden long-term?

Declaration

22. Declaration

By submitting this application, we agree to comply with the terms and conditions of the Youth Climate Action Fund and commit to using the microgrant funds responsibly and transparently to advance our project's objectives.
